

INFORMATION TO THE MARKET

A BB Seguridade Participações S.A. ("BB Seguridade" or "Company") hereby informs to its shareholders and the market the measures to mitigate the impacts of the COVID-19 pandemic, in line with the guidelines of the Ministry of Health, aiming to keep the safety of its employees, to collaborate with the society and the authorities to restrain the virus dissemination, and to ensure the continuity of its operations:

- Centralization of the daily situation assessment, update of preventive measures and risk minimization actions and coordination of the execution of action plans in the Continuity Coordinator Group;
- Intensification of internal communication for orientation on COVID-19 preventive care and reinforcement of hygiene procedures in the workplace;
- Suspension of in-person training and corporate events, in addition to encouraging the adoption of teleconferencing and video conferencing solutions for internal and external meetings;
- Cancellation or postponement of international and national travel;
- Adoption of home office for all employees, observing the particularities of the activities performed; and
- Home office or removal from activities for employees who present specific risk situations, such as, for example, symptoms of the disease, return from work or personal travel abroad, contact with people who have a positive diagnosis of COVID-19, among others.

As a result of the protection measures for its employees, BB Seguridade informs that the service provided to the market by the investor relations department will be carried out by email, according to the contacts below:
