

INFORMATION TO THE MARKET

BB Seguridade hereby informs the release of its 1st Annual Sustainability Report adopting the guidelines provided by the Global Reporting Initiatives (GRI) framework, on its core option, for the disclosure of environmental, social and governance (ESG) aspects related to the 2019 fiscal year.

With this report, BB Seguridade aims to address an increasing demand of the global investment community and other stakeholders for ESG information, using an internationally renowned standard, which enables a better understanding and comparability between companies in Brazil and abroad.

The full content of the report can be reached on the investor relations website at www.bbseguridaderi.com.br/en, Financial Information, option Annual and Sustainability Reports or [click here](#) to be directly sent to the webpage.

Brasilia, October 7th, 2020.
