

Information to the Market

Pursuant to the Brazilian Securities and Exchange Commission ("CVM") Rule Nr. 80/22 (Appendix F), BB SEGURIDADE PARTICIPAÇÕES S.A. ("Company") hereby informs that on January 30th, 2023 it was established the following related party transaction:

Transaction description	Subscription of the Product Definition Instrument ("PD") for the inclusion of new Brasilcap's premium bonds product to be distributed by Brasilalp's call center, with the intermediation of BB Corretora.
Related parties names	BB Corretora de Seguros e Administradora de Bens S.A. ("BB Corretora"), Banco do Brasil S.A. ("Banco") and Brasilcap Capitalização S.A. ("Brasilcap").
Relation between the parties and the Company	BB – Controlling Shareholder BB Corretora – Controlled company Brasilcap – Affiliated company
Agreement object	The PD has as object the inclusion of the product named "Ourocap PM60" to be sold to individual client segment of BB.
Terms and conditions of the agreement	The PD is part of a major agreement named Operational Agreement for Products Distribution and Services Provision ("Operational Agreement"), which establishes the rights and duties of the parties related to the distribution of premium bonds to BB's clients, with the intermediation of BB Corretora. The instrument provides the remuneration to be paid by Brasilcap to BB Corretora and BB for the new product commercialization as a percentage of the amount collected from the products sold. The percentage may vary according to the collection amount.
Participation of the Counterparty or its Shareholders and Management during the Company's decision process	The counterparties did not participate of BB Seguridade's decision, nor did they act as its representative during the negotiation of the transaction.

Reasons for the company to conduct the transaction with the related and not with third parties	Brasilcap has a long-term commercial relationship with the Company and is one of the market leaders in premium bonds' segment, with a notable expertise and financial solidity to honor the commitment assumed with clients, and accordingly remunerating the sales made by BB Corretora. Furthermore, the long-term business relationship is supported by integrated technological, operational, and customer service structures between the parties, which would require the allocation of financial and intellectual capital to be replicated with an unrelated party.
Description of measures and procedures adopted to assure the arm's length format of the transaction	All the conditions were analyzed and validated by BB Seguridade, BB Corretora, Brasilcap and BB's technical divisions, and then approved by BB Seguridade's Executive Committee and Related Parties Transactions Committee as provided in the Company's Related Parties Transactions Policy.
