

INFORMATION TO THE MARKET

BB Seguridade hereby announces the release of its Annual Sustainability Report ("Report") with information on environmental, social and governance (ESG) aspects of the 2022 fiscal year.

Committed to the continuous improvement of information release, the Report was prepared based on Global Reporting Initiative ("GRI") standards, which were assured for the first time by external audit. In addition, were included indicators of the Sustainability Accounting Standards Board ("SASB").

The full content of the report can be reached in the investor relations website at www.bbseguridaderi.com.br/en, Sustainability and Corporate Governance, option Sustainability. [Click here](#) to be directly sent to the webpage.
