Related parties names	BB Corretora de Seguros e Administradora de Bens S.A. ("BB Corretora"), Banco do Brasil S.A. ("Banco") and Brasilcap Capitalização S.A. ("Brasilcap").
Relation between the parties and the Company	BB – Controlling Shareholder BB Corretora – Controlled company Brasilcap – Affiliated company
Agreement object	The formalized PDs aim to rebalance the remuneration paid by Brasilcap to BB Corretora and Banco do Brasil.
Terms and conditions of the agreement	The PD is part of a major agreement named Specific Agreement, which is part of the Operational Agreement for Products Distribution and Services Provision ("Operational Agreement"), which stablishes the rights and duties of the parties related to the distribution of premium bonds through BB's channels, with the intermediation of BB Corretora. The PD provides the remuneration to be paid by Brasilcap to BB Corretora and BB for the new product commercialization as a percentage of the amount collected from the products sold.

Participation of the Counterparty or its Shareholders and Management during the Company's decision process	The counterparties did not participate of BB Seguridade's decision, nor did they act as its representative during the negotiation of the transaction.
Reasons for the company to conduct the transaction with the related and not with third parties	The transaction results from an internal adjustment in the remuneration structure among related parties already involved in Brasilcap's product distribution model. It is a revision of the proportion paid to BB Corretora and Banco do Brasil, without changes to the total amount disbursed by Brasilcap. Given the consolidated commercial relationship and operational integration among the parties, the transaction was conducted within the existing structure, without involving third parties.
Description of measures and procedures adopted to assure the arm's length format of the transaction	All the conditions were analyzed and validated by BB Seguridade, BB Corretora, Brasilcap and BB's technical divisions, and then approved by BB Seguridade's Executive Committee and Related Parties Transactions Commitee as provided in the Company's Related Parties Transactions Policy, considering that the percentage paid to BB Corretora as commission is aligned with market practices.
